LIVE HE

- When user pay example this 2 cadastral numbers (example previous slide:

3 DOLENCI and 2 SUHI VRH) they can see Court auctions and Buletin board ADS just from those 2 cadastral numbers - and user ads and user auction for all SLOVENIA (this can see without to pay something- this is free and without registration)

# Subscription page

- Make new packages and erase older. new will be just yearly subscriptions
- When user register can save ads and save searches and add just 1 active ad. This will be free of charge. And see all users ads. Toggle buttons for Auction and Admin ads need to be locked.
- PAID PACKAGES
  - PACKAGE Cadastral number - 1 EUR+tax/year/ 1 cadastral number
  - PACKAGE Administrative unit – 5 EUR+tax/year/1 administrative unit
  - PACKAGE Regions – 20 EUR+tax/year/1 Region
  - PACKAGE All Slovenia - 50 EUR+tax/year
- Here I will need your help. I want that user who want to see admin ads and auctions ads need to pay subscription.They can choose from one of 4 packages.
- They can choose package where they can choose example Cadastral numbers and add specific cadastral number(example Beltinci) to „basket“- they can add max 15 cadastral numbers to „basket“.
- When they pay, they can see ads(admin(buletin board) and court auction) just with cadastral number which they choose and paid.(Toggle buttons(for auction and admin) will turn on.) Ads which added by users(user ads), can be seen normaly for all Slovenia for everyone even without subscription.
- Same with package Administrative unit and package Region. Package All Slovenia can see All ads.
- Users can buy more subscription plans – Change Error from previous slide
- Do you understand? If not pleas ask me.
